FLOOR FINISHES

CheckMate

25% Solids - High Gloss / Performance UHS Floor Finish

Extremely responsive to burnishing, long lasting 25% solids floor finish for floors requiring a 'wet look' high gloss shine. Provides exceptional burnishing response and durability, making it an ideal product for high traffic / high grit burnishing environments.

Product Code/Size: 4x4L Case - 103504 / 18.9L Pail - 103518

DuraGloss

20% Solids - Low Maintenance Floor Finish

The ultimate low maintenance, scrub and recoat floor finish. An extremely durable, scuff resistant finish - requiring less frequent burnishing or buffing in comparison to conventional finishes. Provides labour maintenance savings but also responds exceptionally well to frequent burnishing or buffing.

Product Code/Size: 4x4L Case - 103004 / 18.9L Pail - 103018

Corridor

20% Solids - High Performance UHS Finish

Provides a durable, soil resistant protection. Easy to apply and very responsive to burnishing. An excellent choice for high traffic/ high grit environments and frequently burnished floors.

Product Code/Size: 4x4L Case - 104004 / 18.9L Pail - 104018

Fortress

18% Solids - Low Odour, Variable Maintenance Floor Finish

Low odour floor finish providing attractive gloss characteristics. May be burnished or spray buffed. Ideal for use in health care or other environments requiring a low odour product.

Product Code/Size: 4x4L Case - 102004 / 18.9L Pail - 102018

Acrylite

16% Solids - Low Odour, Variable Maintenance Floor Finish

High performance low cost floor finish - ideal for bid / tender situations requiring a high level of performance. Fits into any low speed, burnishing or low maintenance system.

Product Code/Size: 4x4L Case - 101504 / 18.9L Pail - 101508

FLOOR SEALERS

Foundation

Multi-Surface Sealer / Finish

A true sealer / finish, filling in pores of worn or porous floors. Acts as a base coat for any resilient or non-resilient floors, including terrazzo. Provides unsurpassed adhesion on substrates showing adhesion sensitivity (e.g. semi-porous unglazed ceramic/quarry tile and rubber/mondo floors). Excellent base coat or as a one product system for linoleum. Easily removed with conventional stripping agents.

Product Code/Size: 4x4L Case - 111004 / 18.9L Pail - 111018

Repel

Penetrating Seal for Stone, Grout

Water based penetrating seal for concrete, brick, pavers, granite, marble, grout. Not a film-former; is not slippery when wet. Does not substantially change the substrate appearance. For indoor and outdoor use.

Product Code/Size: 4x4L Case - 115004 / 18.9L Pail - 115018

Concrete and Pavers Sealer

Interior and Exterior Concrete/Pavers Sealer

Water based high gloss sealer for mineral surfaces such as concrete, pavers, brick. Provides excellent resistance against dusting, staining and water. Clear, non-yellowing formula. Will not UV discolour. For indoor and outdoor use.

Product Code/Size: 4x4L Case - 116004 / 18.9L Pail - 116018

Sanilabs – Supporting Distributors with End-User Marketing Materials

At Sanilabs we're committed **Exclusively to Distributors** - providing you with a variety of marketing aids to make your selling job easier. From technical support, to joint infield sales calls, to end-user marketing materials, Sanilabs will help increase your sales opportunities and profits. At Sanilabs we never forget that as Distributors, it's Your Customers that drive our sales.

Sanilabs Floor Care Procedures Guide®

Helping you put your **best** floor forward!

FLOOR STRIPPERS

PowerStrip

Heavy Duty Alkaline Stripper

Powerful stripper, speciality formulated to release and remove the toughest burnished floor finishes. Highly effective at a 1:16 dilution rate.

Product Code/Size: 4x4L Case - 123004 / 18.9L Pail - 123018

Full Force

Sealer Stripper / Chemical Resistant Coating Stripper

Specifically formulated to remove the toughest coatings, including sealers, urethanes, and other products that resist conventional stripping agents. Fastest / strongest stripper in the biz.

Product Code/Size: 4x4L Case - 121004 / 18.9L Pail - 121018

Liberation

Concentrated, Free Rinsing Stripper

Free rinsing powerful stripper. Doubles as a no-machine stripper (mop-on / mop-off). Concentrated in comparison to other solvenated free rinsing strippers, effective at a dilution rate of up to 1:10.

Product Code/Size: 4x4L Case - 122004 / 18.9L Pail - 122018

RedStrip

1:10 Alkaline Floor Finish Stripper

A cost effective, non-ammoniated floor finish stripper. Works well in high dilutions - effective at a dilution rate of 1:10 with cold water. The ultimate everyday product for all floor finish stripping needs.

Product Code/Size: 4x4L Case - 122504 / 18.9L Pail - 122518

EcoAssure™ Floor Stripper

Environmentally Compliant Floor Stripper

Extremely low odour, non-corrosive neutral pH stripper. Meets the criteria contained in all major N.A. Environmental Standards. Effective stripper on metal-interlocking zinc and non-zinc floor finishes.

Product Code/Size: 4x4L Case - 921004 / 18.9L Pail - 921018

Instant Strip

Free Rinsing Stripper

Free rinsing stripper for use with floor scrubbers for maximum performance, or in mop-on/mop-off situations. Low cost stripper ideal for bid/tender situations.

Product Code/Size: 4x4L Case - 121504 / 18.9L Pail - 121518

EnviroCling

Clinging Baseboard Stripper

Quickly removes polymer film such as floor finish and sealer from baseboards. Sprayable from a trigger sprayer, providing excellent cling on vertical surfaces. Non-caustic, non-corrosive and low odour. Also excellent for equipment cleanup and light graffiti removal.

Product Code/Size: 4x4L Case - 271004 / 20L Pail - 271020

Power Lemon

Neutral pH Floor Cleaner

Highly concentrated, 'best-in-class' neutral cleaner, safe for use on all water-washable surfaces. Ideal for use as a routine floor cleaner. Low foaming for mop and buckets as well as autoscrubbers. May also be used on countertops and other surfaces requiring a streak-free, light duty cleaning. Lemon scent.

Product Code/Size: 4x4L Case - 201004 / 20L Pail - 201020

Neutra-Lemon

Neutral pH Floor Cleaner

A neutral cleaner, safe for use on all water-washable surfaces. Ideal for use as a routine floor cleaner. Low foaming for mop and buckets as well as autoscrubbers. May also be used on countertops and other surfaces requiring a streak-free, light duty cleaning. Lemon scent.

EcoAssure™ Neutral Cleaner

Environmentally Compliant Floor Cleaner

A commercially neutral cleaner with biodegradable surfactants. Meets the criteria contained in all major North American Environmental Standards. Safe for use on all water-washable surfaces. Low foaming, with a pleasant non-descript scent.

Product Code/Size: 4x4L Case - 911004 / 20L Pail - 911020

Cleaner / Restorer

Floor Cleaner / Restorer

Concentrated dual function (one-step) product that cleans and restores all types of floors in one procedure. May be applied with a mop and bucket or an autoscrubber.

Product Code/Size: 4x4L Case - 133004 / 20L Pail - 133020

Tuff Scrub

Scrub and Recoat Cleaner

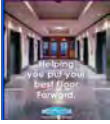

Formulated as a scrub and recoat cleaner prior to refinishing floors. Provides deep cleaning action without removing base coat floor finish. May also be used as an all-purpose cleaner on floors not coated with a floor finish. Low foaming, suitable for use with an autoscrubber or mop and bucket.

Spray Buff

Spray Buff

Ready-to-Use (RTU) spray buff for all types of floors. Excellent gloss build and clarity. Suitable for use with low speed buffing equipment or high speed floor burnishers.

Product Code/Size: 4x4L Case - 232004 / 20L Pail - 232020

FLOOR CLEANERS & MAINTAINERS

Neutra-Life

Non-Acid Salt & Stain Remover

Unique, non-acid formula removes salt residues from floors and carpets. Also provides heavy duty cleaning action on all floors and carpets. A dual function (one-step) floor cleaner and salt stain remover.

Product Code/Size: 4x4L Case - 211004 / 20L Pail - 211020

Neutralizer / Non-Browning

Non-Acid Salt & Stain Remover

Neutralizes alkalinity after floor stripping. Prevents and removes oxidative browning in carpet extraction. Removes salt residues from floors and carpets.

Product Code/Size: 4x4L Case - 211004 / 20L Pail - 211020

Defoamer

Vacuum Recovery Tank Defoamer Concentrate

Silicone based defoamer for use in any vacuum recovery system. Prevents excessive foaming. Ideal for autoscrubbers, wet vacs and extractors.

Product Code/Size: 4x4L Case - 351004 / 20L Pail - 351020

Grout Out

Grout and Tile Brightener / Cleaner

Heavy duty mild acid grout and tile cleaner / brightener recommended for deep restorative cleaning of ceramic, quarry tile and grout. Penetrates the pores of grout and tiles. Low foaming, allows for easy pick-up with an autoscrubber or other wet vacuum recovery systems.

Product Code/Size: 4x4L Case - 261004 / 20L Pail - 261020

BioMaster - Floor & Grout Cleaner

Enzyme Floor & Grout Cleaner

A concentrated enzyme / biological cleaner and deodourizer for kitchen, bathroom and greasy hard floors. Biological agents attack greases even when the floor is dry - resulting in increased grout cleanliness and floor safety (slip resistance). Commercially neutral, safe for use on all water-washable surfaces.

Product Code/Size: 4x4L Case - 951004 / 20L Pail - 951020

Arctic Clean

Freezer Cleaner

Ready to use cleaner and de-icer for freezer floors, effective down to -30°C .

Product Code/Size: 4x4L Case - 223004 / 20L Pail - 223020

Entrap

Dustmop Treatment, Stainless Steel Polish, Dusting Aid

Oil based dustmop treatment to aid in the removal of grit while dustmopping floors. Stainless steel polish. Dusting aid for all surfaces.

Product Code/Size: 4x4L Case - 134004 / 20L Pail - 134020

CARPET CARE

Carpet Extraction Cleaner

Carpet Extraction Cleaner

Carpet cleaner for use in carpet extraction equipment. Concentrated, low foaming with pleasant but powerful odour control capabilities.

Product Code/Size: 4x4L Case - 301004 / 20L Pail - 301020

Traffic Lane

Prespray / Bonnet Buff

Traffic lane prespray for carpets prior to extraction. May also be used as a bonnet buff (spin clean) product, as well as a dilutable carpet spotter. Powerful grease cutting and soil removal abilities from carpets.

Product Code/Size: 4x4L Case - 311004 / 20L Pail - 311020

ProSpot

Carpet / Upholstery Spotter

Ready-to-Use (RTU) carpet and upholstery spotter for use on all water-washable carpets. Effective on a wide variety of oil and water based fabric spots. Thickened formula sits on carpet / upholstery - helping release imbedded fabric stains. Will not soak into carpet backing. Sprayable from a trigger sprayer.

Product Code/Size: 4x4L Case - 321004 / 20L Pail - 321020

Neutra-Life

Non-Acid Salt & Stain Remover

Unique, non-acid formula removes salt residues from floors and carpets. Also provides heavy duty cleaning action on all floors. A dual function (one step) floor / carpet cleaner and salt stain remover.

Product Code/Size: 4x4L Case - 211004 / 20L Pail - 211020

Neutralizer / Non-Browning

Non-Acid Salt & Stain Remover

Neutralizes alkalinity after floor stripping. Prevents and removes oxidative browning in carpet extraction. Removes salt residues from floors and carpets.

Product Code/Size: 4x4L Case - 211004 / 20L Pail - 211020

Defoamer

Vacuum Recovery Tank Defoamer Concentrate

Silicone based defoamer for use in any vacuum recovery system. Prevents excessive foaming. Ideal for autoscrubbers, wet vacs and extractors.

Product Code/Size: 4x4L Case - 351004 / 20L Pail - 351020

D-Limonene / Citrus DEGREASERS

CitraMax

Heavy Duty D-Limonene Industrial Degreaser

Super-concentrated natural citrus-based industrial degreaser. Formulated with orange oil. Emulsifies petroleum / vegetable oils, animal fats and water based soils. Ideal for cleaning heavily soiled concrete floors. Dilutable in hot or cold water.

Product Code/Size: 4x4L Case - 245004 / 20L Pail - 245020

Super Citra-Kleen

Heavy Duty D-Limonene Degreaser

Concentrated natural citrus-based degreaser and multi-purpose cleaner for most water-washable surfaces. Formulated with orange oil. Emulsifies petroleum / vegetable oils, animal fats and water based soils. Dilutable in hot or cold water. Strong deodorizing capabilities, with pleasant natural orange scent.

Product Code/Size: 4x4L Case - 241004 / 20L Pail - 241020

Citra-Kleen

Multi-Purpose Cleaner/ D-Limonene Degreaser

Citrus-based D-Limonene degreaser and multi-purpose cleaner for most water-washable surfaces. Formulated with orange oil. Emulsifies petroleum / vegetable oils, animal fats and water based soils. Dilutable in hot or cold water. Strong deodorizing capabilities, with pleasant natural orange scent.

Product Code/Size: 4x4L Case - 241504 / 20L Pail - 241520

Liquid Gold

Heavy Duty 'Specialty' Degreaser

93% active formula, for extreme cleaning / degreasing. Suitable for use in a multitude of applications including engine and equipment degreasing, ink removal, black mark removal (squash courts, hockey arenas), carpet spotting, grease trap / floor drain maintenance and deodorizing. Dilutable in hot or cold water.

Product Code/Size: 4x4L Case- 242004 / 20L Pail - 242020

Dissolve Citrus

100% Active RTU Grease/Tar/Asphalt/Ink/Graffiti Remover

100% active, citrus based RTU product. Formulated for the removal of asphalt, heavy grease, tar, asphalt, ink, graffiti. Water thin formula. Readily rinsable in water.

Product Code/Size: 4x4L Case - 273504 / 20L Pail - 273520

Spray-N-Kling Citrus

100% Active RTU Grease/Tar/Asphalt/Ink/Graffiti Remover

100% active, citrus based RTU product. Formulated for the removal of asphalt, heavy grease, tar, asphalt, ink, graffiti. Sprayable product that clings to vertical surfaces, increasing contact time. Readily rinsable with water.

Product Code/Size: 4x4L Case - 273004 / 20L Pail - 273020

EcoAssure™ Citrus Concentrate

Environmentally Compliant Degreaser

Citrus-based D-Limonene degreaser and multi-purpose cleaner for most water-washable surfaces. Non-corrosive, neutral pH product. Excellent for use as a dilutable spray and wipe. Meets the criteria contained in all major N.A. Environmental Standards.

Product Code/Size: 4x4L Case - 934004 / 20L Pail - 934020

Non Citrus **DEGREASERS**

Degreaser Plus

Heavy Duty Multi-Surface Degreaser

Multi-purpose degreaser formulated for tough degreasing jobs, such as factory and warehouse floors / walls, engine degreasing and general power wash applications.

Product Code/Size: 4L Jug - 231004 / 20L Pail - 231020

ShopLift Soft Metal Safe

Heavy Duty Industrial Multi-Surface Degreaser

Super-concentrated (dilution 1:20-1:60) degreaser for all industrial surfaces. For floors / equipment in metal working shops and garages. Safe for use on soft metals such as aluminum. Low foaming, ideal for autoscrubbers. Non-butyl degreaser containing no VOC's or solvents.

Product Code/Size: 4L Jug - 236004 / 20L Pail - 236020

Simply Soy Degreaser

Natural Soy Based Degreaser

Renewable soy based degreaser for extreme cleaning / degreasing. Suitable for use in a multitude of applications including engine and equipment degreasing, ink removal, black mark removal (squash courts, hockey arenas). Dilutable in hot or cold water. Will not attack rubber seals, gaskets.

Product Code/Size: 4x4L Case - 941004 / 20L Pail - 941020

Dissolve Soy

100% Active RTU Grease/Tar/Asphalt/Ink/Graffiti Remover

100% active, renewable soy based RTU product. Formulated for the removal of asphalt, heavy grease, tar, asphalt, ink, graffiti. Readily rinsable in water. Safe for use on rubber; will not attack rubber seals, gaskets, hoses.

Product Code/Size: 4x4L Case - 274504 / 20L Pail - 274520

Floor Degreaser

Floor Degreaser for Concrete, Ceramic Floors

Cost effective floor degreaser for the removal of grease, fats and heavy soils. May be used with an autoscrubber or with a mop and bucket.

Product Code/Size: 4L Jug - 261004 / 20L Pail - 261020

ALL-PURPOSE CLEANERS

BioMaster Fresh Encounter

Enzyme Formulated Cleaner

A concentrated enzyme / biological all purpose cleaner with dual action odour counteractant system. A comprehensive synergistic blend of biologicals and essential oils (derived from plants) quickly attack the malodour molecules, eliminating (not masking) the source of the problem. For use in bathrooms, septic and drain maintenance, all purpose cleaning.

BioMaster All Purpose Cleaner

Enzyme Formulated Cleaner

A concentrated enzyme / biological all purpose cleaner and deodorizer for use on all water-washable hard surfaces. Ideal as a all-purpose bathroom cleaner.

Product Code/Size: 4x4L Case - 951504 / 20L Pail - 951520

Hardball

Spray & Wipe

Heavy duty, dilutable spray & wipe cleaner for use on all hard surfaces - including walls, countertops, sinks, equipment or other surfaces requiring marker, pen, pencil, grease, oil and general soil removal. Contains advanced odour counteractants - leaving surfaces clean and fresh.

Product Code/Size: 4x4L Case - 222004 / 20L Pail - 222020

Simply Soy All Purpose Cleaner

Natural Soy Based Cleaner

Renewable soy based sll purpose cleaner. Emulsifies petroleum / vegetable oils, animal fats and water based soils. Suitable for use on hard surfaces, floors or as a spray and wipe product. Dilutable in hot or cold water. Will not attack rubber seals, gaskets.

Product Code/Size: 4x4L Case - 941504 / 20L Pail - 941520

Number ONE!

All Purpose Kitchen Cleaner

All purpose cleaner for kitchen use. Non-butyl formula removes animal / vegetable based oils and greases. Good for kitchen use.

Product Code/Size: 4L Jug - 231504 / 20L Pail - 231520

Renew

Cleaner and Polish

Ready to use cleaner, shine enhancer and protectant for a wide variety of surfaces. Ideal for use as a furniture polish, automotive dash cleaner/gloss enhancer, interior and exterior plastic cleaner/gloss enhancer, rubber tire dressing.

Product Code/Size: 4x4L Case - 275004 / 20L Pail - 275020

MicroCleanse

Soft Cream Cleanser

Extremely fine particle but very effective cream cleanser. Cleans and polishes in one step. Will not scratch porcelain or stainless steel surfaces.

Product Code/Size: 4x4L Case - 276004 / 20L Pail - 276020

Bathroom Care

Glisten!

Mild acid foaming bathroom cleaner

Dilutable foaming mild acid bathroom cleaner with no harsh fumes. Applied with a foamer, provides excellent cling to vertical surfaces. Effective against soap scum and hard water deposits. For use on all bathroom surfaces except natural marble. Contains powerful odour counteractant.

Product Code/Size: 4x4L Case - 401004 / 20L Pail - 401020

Pine All Plus

Pine oil cleaner and deodourizer

Pine oil cleaner, especially suited for bathroom and general cleaning. Non-acid cleaner with no butyl or other solvents. Strong cleaning and deodourizing characteristics. Pleasant natural pine scent.

Product Code/Size: 4x4L Case - 232504 / 20L Pail - 232520

BioMaster Fresh Encounter

Enzyme Formulated Cleaner

A concentrated enzyme / biological all purpose cleaner with dual action odour counteractant system. A comprehensive synergistic blend of biologicals and essential oils (derived from plants) quickly attack the malodour molecules, eliminating (not masking) the source of the problem. For use in bathrooms, septic and drain maintenance, all purpose cleaning.

Product Code/Size: 4x4L Case - 951504 / 20L Pail - 951520

BioMaster - Floor & Grout Cleaner

Enzyme Formulated Floor Cleaner

A concentrated enzyme / biological cleaner and deodourizer for bathroom / kitchen hard surface floors. Biological agents continue to work over time when the floor is dry - resulting in increased grout cleanliness and floor safety. Commercially neutral, safe for use on all water-washable hard surfaces.

Product Code/Size: 4x4L Case - 951004 / 20L Pail - 951020

Grout Out

Grout and Tile Cleaner / Brightener

Heavy duty mild acid grout and tile cleaner / brightener recommended for deep restorative cleaning of ceramic, quarry tile and grout. Penetrates the pores of the grout and tiles. Low foaming, allows for easy pick-up with an autoscrubber or other wet vacuum recovery systems.

Product Code/Size: 4x4L Case - 722004 / 20L Pail - 722020

MicroCleanse

Soft Cream Cleanser

Extremely fine particle but very effective cream cleanser. Cleans and polishes in one step. Will not scratch porcelain or stainless steel surfaces.

Product Code/Size: 4x4L Case - 276004 / 20L Pail - 276020

Hand Soaps

Pink Lotion Hand Soap

Opacified pink lotion hand soap for heavy grease and soil cutting. Suitable for all hand washing applications. Luxurious feel with a subtle pleasant fruit fragrance.

Product Code/Size: 4x4L Case - 501004 / 20L Pail - 501020

White Lotion Hand Soap

Opacified white lotion hand soap for heavy grease and soil cutting. Suitable for all hand washing applications. Luxurious feel with a subtle pleasant fruit fragrance.

Product Code/Size: 4x4L Case - 502004 / 20L Pail - 502020

Blue Lotion Hand & Body Wash

Clear blue soap, formulated for recreational institutions such as gyms, sport facilities and communal shower areas. Produces a rich lather with a luxurious feel on both hands and body. Non-overpowering subtle fruity / flower fragrance.

Product Code/Size: 4x4L Case - 503004 / 20L Pail - 503020

Clear Unscented Hand Soap

Unscented, clear and colourless lotion hand soap for heavy grease and soil cutting. Luxurious feel that is suitable for all hand washing applications where non-fragrance is desired.

Product Code/Size: 4x4L Case - 502504 / 20L Pail - 502520

Antiseptic White Hand Soap

White pearlized antimicrobial mild lotion hand soap with Triclosan. Luxurious feel with antiseptic / bacteria protection. Pleasantly refreshing with a subtle fruity / flower fragrance.

Product Code/Size: 4x4L Case - 511504 / 20L Pail - 511520

Odour Control

Ban-O-Dor

For extreme odour control issues

Formulated to address the most offensive malodour issues, including garbage bins / chutes, bathroom / urinal odours, diaper pails, water damage mildew, smoke and decaying food remnant odours. Original Ban-O-Dor essential oil blend.

Product Code/Size: 4x4L Case - 601004 / 20L Pail - 601020

BioMaster Fresh Encounter

Dual action odour counteractant cleaner

A unique and comprehensive synergistic blend of biologicals and essential oils (derived from plants) quickly attack the malodour molecules, eliminating (not masking) the source of the problem. Safe for use on any water washable surface. Ideal for fire and flood restoration, and for problematic odours such as smoke, pet odours, urine, bathroom and locker room odours, as well as for drain line, grease trap and septic waste management.

Product Code/Size: 4x4L Case - 953004 / 20L Pail - 953020

BioMaster Odour Counteractant

Enzyme odour counteractant

A concentrated enzyme / biological product for intense odours. Enzymes attack the source of the odour, not simply masking it. For use on all water-washable hard surfaces as well as carpets, upholstery and other fabrics. Eliminates mildew, smoke, bathroom and harsh kitchen / dumpster malodours.

Product Code/Size: 4x4L Case - 952004 / 20L Pail - 952020

Spray-N-Kling Ban-O-Dor

For extreme odour control issues

Sprayable thickened product that clings to vertical surfaces for time release of odour counteractants. Ideal for intense odours such as garbage bins, chutes, etc. Original Ban-O-Dor essential oil blend.

Product Code/Size: 4x4L Case - 601004 / 20L Pail - 601020

Odour Master 300

Mint fragrance based odour counteractant

Provides powerful odour counteraction while leaving a pleasant herbal mint after-scent. Odour Master 300 can be used as a surface or space spray and as an odour counteractant boost to non-germicidal hard surface and carpet cleaning applications.

Product Code/Size: 4x4L Case - 602004 / 20L Pail - 602020

KITCHEN Warewash

Premium Auto Dish Detergent

Auto Dish Machine Detergent

Super-concentrated liquid cleaner for automatic dishwashers. Powerful cleaning and low foaming characteristics in both low and high temperature machines. Formulated for soft to medium water conditions. High concentration = low \$ per cycle dishwash cost.

Product Code/Size: 4x4L Case - 711504 / 20L Pail - 711520

Auto Dish Detergent

Auto Dish Machine Detergent

Concentrated liquid detergent for automatic dishwashers. Powerful cleaning and low foaming characteristics in both low and high temperature machines. Formulated for soft to medium water conditions.

Product Code/Size: 4x4L Case - 711504 / 20L Pail - 711520

Auto Dish Detergent HW

Auto Dish Machine Detergent

Super-concentrated liquid cleaner for automatic dishwashers. Powerful cleaning and low foaming characteristics in both low and high temperature machines. Specially formulated for hard water conditions.

Product Code/Size: 4x4L Case - 713004 / 20L Pail - 713020

All-Temp Rinse Aid

Auto Dish Machine Rinse Aid

Liquid rinse aid for automatic dishwashers. Unique formula provides good sheeting action and low foaming in both low and high temperature machines. Good for use in soft or hard water conditions. Provides spot free results even in high solids water.

Product Code/Size: 4x4L Case - 712004 / 20L Pail - 712020

Limex

Dish Machine Descaler / Calcium & Lime Remover

Concentrated low foaming cleaner/descaler. Formulated to quickly attack hard water scale, calcium and stains from stainless, glassware and ceramics. Ideal for use as a dishwasher descaler (spray-on and cycle through). Also effective against unsightly kitchen surface stains/scale such as on coffee pots.

Product Code/Size: 4x4L Case - 722004 / 20L Pail - 722020

BioMaster - Cutlery Presoak

Enzyme Kitchen Cutlery Presoak

Concentrated enzyme / biological product, safe (neutral pH) for use as a pre-soak for all types of cutlery, including stainless and silverware. Enzymes break-down stubborn food remnant and grease / carbon deposits.

Product Code/Size: 4x4L Case - 957004 / 20L Pail - 957020

Lemon Hand Dish

Manual Dish / Pot & Pan Detergent

Powerful, high foaming manual dish / pot & pan detergent with a pleasant lemon fragrance. Excellent grease cutting, easy rinsing formula leaves dishes sparkling.

Product Code/Size: 4x4L Case - 701504 / 20L Pail - 701520

Chlorine / Sodium Hypochlorite (12%)

Low Temperature Sanitizer / Destainer

Low temperature warewash sanitizer. Removes bleachable stains.

Product Code/Size: 4x4L Case - 765004 / 20L Pail - 765020

KITCHEN Hard Surface Cleaning

Ultimate Kitchen Aid

Oven, Fryer & Griddle Cleaner

Powerful deep-cleaning oven, fryer and griddle cleaner. Potent formula removes grease and baked-on carbon deposits. Odourless product makes it user friendly.

Product Code/Size: 4x4L Case - 721004 / 20L Pail - 721020

Super Citra-Kleen

Heavy Duty D-Limonene Degreaser

Concentrated natural citrus-based degreaser and multi-purpose cleaner for most water-washable surfaces. Formulated with orange oil. Emulsifies petroleum / vegetable oils, animal fats and water based soils. Dilutable in hot or cold water. Strong deodorizing capabilities, with pleasant natural orange scent.

Product Code/Size: 4x4L Case - 241004 / 20L Pail - 241020

Number ONE!

Multi-Purpose Kitchen Degreaser

Powerful general kitchen degreaser (equipment / floors). Non-butyl formula removes animal / vegetable based oils and greases. Unique odour control technology especially suited for kitchen malodours.

Product Code/Size: 4x4L Case - 231504 / 20L Pail - 231520

BioMaster - Floor & Grout Cleaner

Enzyme Floor & Grout Cleaner

A concentrated enzyme / biological cleaner and deodorizer for kitchen, bathroom and greasy floors. Biological agents attack greases even when the floor is dry - resulting in increased grout cleanliness and floor safety (slip resistance). Commercially neutral, safe for use on all water-washable hard surfaces.

Product Code/Size: 4x4L Case - 951004 / 20L Pail - 951020

Liquid Gold

Grease Trap Maintainer

Effective in severe grease trap / floor drain maintenance and deodorizing applications. Breaks-down tough built-up greases and helps keep kitchen grease traps maintenance free. 93% active product.

Product Code/Size: 4x4L Case - 242004 / 20L Pail - 242020

BioMaster - Grease Trap Maintainer

Enzyme Trap Maintainer

Concentrated enzyme / biological product for the effective maintenance of grease traps. Also effective as a maintainer and deodorizer of floor drains. Enzymes break-down fats, oils and greases.

Product Code/Size: 4x4L Case - 952504 / 20L Pail - 952520

LAUNDRY

Laundri Brite Detergent

Institutional Laundry System Detergent

Concentrated low foaming detergent for institutional automatically dispensed laundry systems. Suitable for top load or front load machines. Also ideal for use as a one-shot liquid laundry detergent.

Product Code/Size: 4x4L Case - 761004 / 20L Pail - 761020

Laundri Brite Builder

Institutional Laundry System Alkaline Boost

Concentrated alkalinity booster for institutional automatically dispensed laundry systems. Suitable for top load or front load machines.

Product Code/Size: 4x4L Case - 762004 / 20L Pail - 762020

Laundri Brite Sour

Institutional Laundry System Sour

Concentrated sour for institutional automatically dispensed laundry systems. Suitable for top load or front load machines.

Product Code/Size: 4x4L Case - 763004 / 20L Pail - 763020

Laundri Brite Softener

Institutional Laundry System Softener

Concentrated softener for institutional automatically dispensed laundry systems. Suitable for top load or front load machines.

Product Code/Size: 4x4L Case - 764004 / 20L Pail - 764020

Laundri Brite Destainer

Institutional Laundry System Destainer

Concentrated chlorine / sodium hypochlorite (12%) destainer for institutional automatically dispensed laundry systems. Suitable for top load or front load machines.

Product Code/Size: 4x4L Case - 765004 / 20L Pail - 765020

GLASS CLEANERS

Visions

Ultra-Concentrated Glass Cleaner

Non-ammoniated concentrated glass cleaner. Optimum dilution 1:5 in water. Non-streaking formula leaves glass and mirrors sparkling.

Product Code/Size: 4x4L Case - 253004 / 20L Pail - 253020

Window-Kleen

Concentrated Glass Cleaner

Non-ammoniated concentrated glass cleaner. May be diluted 1:3 in water. Non-streaking formula leaves glass and mirrors sparkling.

Product Code/Size: 4x4L Case - 251004 / 20L Pail - 251020

Clear View RTU

Ready-to-Use (RTU) Glass Cleaner

Non-ammoniated, Ready-to-Use (RTU) glass cleaner. Non-streaking formula leaves glass and mirrors sparkling.

Product Code/Size: 4x4L Case - 252004 / 20L Pail - 252020

EcoAssure™ Glass Cleaner

Environmentally Compliant Glass Cleaner

Ready-to-Use (RTU) glass cleaner. Meets the criteria contained in all major Canadian Environmental Standards. Non-streaking formula leaves glass and mirrors sparkling.

Product Code/Size: 4x4L Case - 931004 / 20L Pail - 931020

PRINT AND INK CLEANERS

Liquid Gold

Heavy-Duty 'Specialty' Degreaser

93% active formula, for extreme cleaning / degreasing. Suitable for use in a multitude of applications including engine and equipment degreasing, black mark removal (squash courts, hockey arenas), carpet spotting, grease trap / floor drain maintenance and deodourizing. Dilutable in hot or cold water.

Product Code/Size: 4x4L Case - 242004 / 20L Pail - 242020

Simply Soy Degreaser

Natural Soy Based Degreaser

Renewable soy based degreaser for extreme cleaning / degreasing. Suitable for use in a multitude of applications including engine and equipment degreasing, ink removal, black mark removal (squash courts, hockey arenas). Dilutable in hot or cold water. Will not attack rubber seals, gaskets.

Product Code/Size: 4x4L Case - 941004 / 20L Pail - 941020

InkCling

Clinging Ink & Dye Remover

Powerful cleaner specifically formulated to remove inks and dyes from a wide variety of surfaces. Sprayable from a trigger sprayer, yet thickens upon hitting the surface, providing excellent vertical cling. Non-caustic, non-corrosive and low odour. Ideal for use in industrial printing press applications.

Product Code/Size: 4x4L Case - 272004 / 20L Pail - 272020

VEHICLE / POWER WASH

Foamy Vehicle Wash

Heavy Duty Vehicle Wash

Extremely concentrated (up to 1:100 dilution) high foaming product for exterior vehicle cleaning. Excellent in manual application cleaning.

Product Code/Size: 4x4L Case - 801004 / 20L Pail - 801020

Foamy Truck Wash

Heavy Duty Truck Wash

Heavy duty, high foaming exterior truck cleaner for application through foamers. Removes road film, grease and oils from cars and trucks. Soft metal safe at all dilutions.

Product Code/Size: 4x4L Case - 811504 / 20L Pail - 811520

Power Wash

Vehicle / Pressure Wash

Heavy duty lower foaming exterior vehicle cleaner for coin wash and mobile pressure wash applications. Removes road film, grease and oils from cars and trucks. Also provides excellent performance as a general purpose pressure cleaner in power wash applications, such as vinyl siding, concrete floors and wall cleaning.

Product Code/Size: 4x4L Case - 801504 / 20L Pail - 801520

Liquid Gold

Heavy-Duty 'Specialty' Degreaser

Heavy duty water dilutable d-limonene based formula, for extreme cleaning / degreasing. Ideal for heavy duty needs such as engine degreasing, tar removal and carpet spotting.

Product Code/Size 4x4L Case - 801504 / 20L Pail - 801520

Degreaser Plus

Heavy Duty Multi-Surface Degreaser

Multi-purpose degreaser formulated for tough degreasing jobs, such as factory and warehouse floors / walls, engine degreasing and general power wash applications.

Product Code/Size: 4x4L Case - 231004 / 20L Pail - 231020

Renew

Cleaner and Polish

Ready to use cleaner, shine enhancer and protectant for a wide variety of surfaces. Ideal for use as a furniture polish, automotive dash cleaner/gloss enhancer, interior and exterior plastic cleaner/gloss enhancer, rubber tire dressing.

Product Code/Size: 4x4L Case - 275004 / 20L Pail - 275020

Bus and Truck Rim Cleaner/Prewash

Industrial / Commercial Vehicle Rim Cleaner

Heavy duty rim cleaner for buses, trucks. Removes brake dust, soil. Not for use on polished aluminum surfaces.

Product Code/Size: 4x4L Case - 831004 / 20L Pail - 831020

Car Rim Cleaner

Vehicle Rim Cleaner

Rim cleaner for cars and light trucks. Removes brake dust, soil.

Product Code/Size: 4x4L Case - 831504 / 20L Pail - 831520

Bus Wash

Automatic Bus Wash

Bus detergent for use in automatic wash equipment. Removes road film and soils, grease and grime. Neutral pH, non-solvent formula safe for use on any surface

Product Code/Size: 4x4L Case - 802004 / 20L Pail - 802020

Aluminum Brightener

Aluminum Brightener

Aluminum brightener. Removes corrosion/oxidation/burns from tankers. Not for use on polished aluminum.
Product Code/Size: 4x4L Case - 841004 / 20L Pail - 841020

CONSTRUCTION VEHICLE / PAVING

CV 210 Concrete Remover

Heavy Buildup / Polished Aluminum Safe Concrete Remover

For the removal of heaviest concrete residues. Ready to use formula, applied with foamer. Safe for use on polished aluminum.

Product Code/Size: 4x4L Case - 851004 / 20L Pail - 851020 / 210L Drum - 851021

CV 220 Concrete Descaler

Foaming Concrete Descaler

Concentrated, foaming organic salt based concrete descaler for concrete and cement vehicles. To be used through foaming system. Quickly dissolves concrete and concrete dust. Also effective at removing grease, oils and general road grime. Non-hydrochloric acid formula.

Product Code/Size: 4x4L Case - 852004 / 20L Pail - 852020 / 210L Drum - 852021

CV 230 Concrete Descaler

Manual Concrete Descaler

Organic salt based concrete descaler for concrete and cement vehicles. Positioned for manual application and cleaning. Quickly dissolves concrete and concrete dust. Also effective at removing grease, oils and general road grime. Non-hydrochloric acid formula.

Product Code/Size: 4x4L Case - 853004 / 20L Pail - 853020 / 210L Drum - 853021

CV 310 Asphalt Remover

Asphalt Remover

100% active product for removal of heavy buildup on asphalt vehicles. Removes asphalt, tar, hardened grease, grime and oils. Also suitable for use on machinery, tools, automotive parts, and engines. Water thin product.

Product Code/Size: 4x4L Case - 861004 / 20L Pail - 861020 / 210L Drum - 861021

CV 320 Asphalt Remover Gel

Thickened Asphalt Remover

Heavy duty, ready to use sprayable cleaner that clings to surfaces, providing increased contact time. Removes asphalt, tar, hardened grease, grime and oils. Suitable for use on pavers / radiators, machinery, tools, automotive parts, and engines.

Product Code/Size: 4x4L Case - 862004 / 20L Pail - 862020 / 210L Drum - 862021

CV 350 Asphalt Remover

Rubber Safe Asphalt Remover

100% active product for removal of heavy buildup on asphalt vehicles. Removes asphalt, tar, hardened grease, grime and oils. Also suitable for use on machinery, tools, automotive parts, and engines. Will not attack rubber, gaskets, etc. Water thin product.

Product Code/Size: 4x4L Case - 863004 / 20L Pail - 863020 / 210L Drum - 863021

CONSTRUCTION VEHICLE / PAVING

CV 410 Release Agent

Asphalt Release Agent

A concentrated dump box release agent. Dilutable up to a 1:10 ratio. Replaces diesel fuel.

Product Code/Size: 4x4L Case - 871004 / 20L Pail - 871020 / 210L Drum - 871021

CV 420 Release Agent

Asphalt Release Agent

A concentrated dump box release agent. Dilutable up to a 1:10 ratio. Replaces diesel fuel.

Product Code/Size: 4x4L Case - 872004 / 20L Pail - 872020 / 210L Drum - 872021

CV 430 Release Agent

Asphalt Release Agent

A highly concentrated release agent. Dilutable up to a 1:30 ratio. Replaces diesel fuel. Efficient on both standard and polymer based asphalt.

Product Code/Size: 4x4L Case - 873004 / 20L Pail - 873020 / 210L Drum - 873021

CV 445 Release Agent

RTU Concrete and Asphalt Release Agent

A ready to use, extremely efficient concrete and asphalt release agent. Replaces diesel fuel. Efficient on both standard and polymer based asphalt.

Product Code/Size: 4x4L Case - 874004 / 20L Pail - 874020 / 210L Drum - 874021

Sanilabs Distributor Commitment
Quality Products that work. At Price Points that sell!

GRAFFITI REMOVAL

Spray-N-Kling Citrus

100% Active RTU Grease/Tar/Asphalt/Ink/Graffiti Remover

100% active, citrus based RTU product. Formulated for the removal of asphalt, heavy grease, tar, asphalt, ink, graffiti. Sprayable product that clings to vertical surfaces, increasing contact time. Readily rinsable with water.

Product Code/Size: 4x4L Case - 273004 / 20L Pail - 273020

Spray-N-Kling HD Paint Remover

HD Paint and Graffiti Remover

Removes heavy graffiti including paints. Sprayable product that clings to vertical surfaces, increasing contact time. Readily rinsable with water.

Product Code/Size: 4x4L Case - 273504 / 20L Pail - 273520

EnviroCling

Clinging light Duty Graffiti Remover

Quickly removes polymer film such as floor finish and sealer from baseboards. Sprayable from a trigger sprayer, providing excellent cling on vertical surfaces. Non-caustic, non-corrosive and low odour. Also excellent for equipment cleanup and light graffiti (inks, marker) removal.

Product Code/Size: 4x4L Case - 271004 / 20L Pail - 271020

Dissolve Citrus

100% Active RTU Grease/Tar/Asphalt/Ink/Graffiti Remover

100% active, citrus based RTU product. Formulated for the removal of asphalt, heavy grease, tar, asphalt, ink, graffiti. Water thin formula. Readily rinsable in water.

Product Code/Size: 4x4L Case - 273504 / 20L Pail - 273520

Dissolve Soy

100% Active RTU Grease/Tar/Asphalt/Ink/Graffiti Remover

100% active, renewable soy based RTU product. Formulated for the removal of asphalt, heavy grease, tar, asphalt, ink, graffiti. Readily rinsable in water. Safe for use on rubber; will not attack rubber seals, gaskets, hoses.

Product Code/Size: 4x4L Case - 274504 / 20L Pail - 274520

INDUSTRIAL CLEANERS

CitraMax

Heavy Duty D-Limonene Industrial Degreaser

Super-concentrated natural citrus-based industrial . Formulated with orange oil. Emulsifies petroleum / vegetable oils, animal fats and water based soils. Dilutable in hot or cold water.

Product Code/Size: 4x4L Case - 245004 / 20L Pail - 245020

ShopLift Soft Metal Safe

Heavy Duty Industrial Multi-Surface Degreaser

Super-concentrated (dilution 1:20-1:60) degreaser for all industrial surfaces. For floors / equipment in metal working shops and garages. Safe for use on soft metals such as aluminum. Low foaming, ideal for autoscrubbers. Non-butyl degreaser containing no VOC's or solvents.

Product Code/Size: 4x4L Case - 236004 / 20L Pail - 236020

Liquid Gold

Heavy Duty 'Specialty' Degreaser

93% active formula, for extreme cleaning / degreasing. Suitable for use in a multitude of applications including engine and equipment degreasing, ink removal, black mark removal (squash courts, hockey arenas), carpet spotting, grease trap / floor drain maintenance and deodorizing. Dilutable in hot or cold water.

Product Code/Size: 4x4L Case- 242004 / 20L Pail - 242020

Dissolve Citrus

100% Active RTU Grease/Tar/Asphalt/Ink/Graffiti Remover

100% active, citrus based RTU product. Formulated for the removal of heavy grease, tar, asphalt, ink, graffiti. Water thin formula. Readily rinsable in water.

Product Code/Size: 4x4L Case - 273504 / 20L Pail - 273520

Spray-N-Kling Citrus

100% Active RTU Grease/Tar/Asphalt/Ink/Graffiti Remover

100% active, citrus based RTU product. Formulated for the removal of heavy grease, tar, asphalt, ink, graffiti. Sprayable product that clings to vertical surfaces, increasing contact time. Readily rinsable with water.

Product Code/Size: 4x4L Case - 273004 / 20L Pail - 273020

Dissolve Soy

100% Active RTU Grease/Tar/Asphalt/Ink/Graffiti Remover

100% active, renewable soy based RTU product. Formulated for the removal of heavy grease, tar, asphalt, ink, graffiti. Readily rinsable in water. Safe for use on rubber; will not attack rubber seals, gaskets, hoses.

Product Code/Size: 4x4L Case - 274504 / 20L Pail - 274520

Simply Soy Degreaser

Natural Soy Based Degreaser

Renewable soy based degreaser for extreme cleaning / degreasing. Suitable for use in a multitude of applications including engine and equipment degreasing, ink removal, Dilutable in hot or cold water. Will not attack rubber seals, gaskets.

Product Code/Size: 4x4L Case - 941004 / 20L Pail - 941020

ENZYME / BIOLOGICALS:

BioMaster Fresh Encounter

Enzyme Formulated Cleaner / Odour Counteractant

A concentrated enzyme / biological all purpose cleaner with dual action odour counteractant system. A comprehensive synergistic blend of biologicals and essential oils (derived from plants) quickly attack the malodour molecules, eliminating (not masking) the source of the problem. For use in bathrooms, septic and drain maintenance, all purpose cleaning.

Product Code/Size: 4x4L Case - 951504 / 20L Pail - 951520

BioMaster - All Purpose Cleaner

Enzyme All Purpose Cleaner

A concentrated enzyme / biological all-purpose cleaner and deodourizer for use on all water-washable hard surfaces. Also effective as an enzyme based carpet / upholstery spotter and deodourizer.

Product Code/Size: 4L Jug - 951504 / 20L Pail - 909520

BioMaster - Floor & Grout Cleaner

Enzyme Floor & Grout Cleaner

A concentrated enzyme / biological cleaner and deodourizer for kitchen, bathroom and greasy floors. Biological agents attack greases even when the floor is dry - resulting in increased grout cleanliness and floor safety (slip resistance). Commercially neutral, safe for use on all water-washable surfaces.

Product Code/Size: 4x4L Case - 951004 / 20L Pail - 951520

BioMaster - Odour Counteractant

Enzyme Odour Counteractant

A concentrated enzyme / biological product for intense odours. Enzymes attack the source of the odour, not simply masking it. For use on all water-washable hard surfaces as well as carpets, upholstery and other fabrics. Eliminates mildew, smoke, bathroom and harsh kitchen / dumpster malodours.

Product Code/Size: 4x4L Case - 952004 / 20L Pail - 952020

BioMaster - Grease Trap Maintainer

Enzyme Trap Maintainer

Concentrated enzyme / biological product for the effective maintenance of grease traps. Also effective as a maintainer and deodourizer of floor drains. Enzymes break-down fats, oils and greases.

Product Code/Size: 4x4L Case - 952504 / 20L Pail - 952520

BioMaster - Cutlery Presoak

Enzyme Kitchen Cutlery Presoak

Concentrated enzyme / biological product, safe for use as a pre-soak for all types of cutlery, including stainless and silverware (neutral pH). Breaks-down food remnant and grease / carbon deposits.

Product Code/Size: 4x4L Case - 957004 / 20L Pail - 957020

Sanilabs EcoAssure™ Green Product line has been formulated to meet or exceed all major Canadian & US based standards for Green Cleaning Products.

All Sanilabs EcoAssure™ products are manufactured to the following environmental criteria:

- Contain no zinc or other heavy metal crosslinker
- All organic ingredients are readily biodegradable
- Non-corrosive pH values
- Contain less Volatile Organic Compounds (VOC's) than regulated in all North American standards
- Are not flammable or combustible
- Contain no alkylphenol ethoxylates, phthalate, ethylenediaminetetraacetate (EDTA), 2-butoxyethanol (butyl cellosolve) or other regulated glycol ethers
- Contain no ozone depleting compounds
- Meets all North American regulations for eutrophication (total phosphates)
- Contain no bioaccumulative pefluorooctance sulfonate
- Contain no carcinogen
- Contain no known reproductive toxin, mutagen, teratogen or fetotoxin
- Contain no known endocrine disruptor

EcoAssure™ Floor Stripper

Environmentally Compliant Floor Stripper

Extremely low odour, non-corrosive neutral pH stripper. Meets the criteria contained in all major N.A. Environmental Standards. Effective stripper on metal-interlocking zinc and non-zinc floor finishes.

Product Code/Size: 4x4L Case - 921004 / 18.9L Pail - 921018

EcoAssure™ Neutral Cleaner

Environmentally Compliant Floor Cleaner

A commercially neutral cleaner with biodegradable surfactants. Meets the criteria contained in all major North American Environmental Standards. Safe for use on all water-washable surfaces. Low foaming, with a pleasant odour counteractant.

Product Code/Size: 4x4L Case - 911004 / 20L Pail - 911020

EcoAssure™ Citrus Concentrate

Environmentally Compliant Degreaser

Citrus-based D-Limonene degreaser and multi-purpose cleaner for most water-washable surfaces. Non-corrosive, neutral pH product. Excellent for use as a dilutable spray and wipe. Meets the criteria contained in all major N.A. Environmental Standards.

Product Code/Size: 4x4L Case - 934004 / 20L Pail - 934020

EcoAssure™ Glass Cleaner

Environmentally Compliant Glass Cleaner

Ready-to-Use (RTU) glass cleaner. Meets the criteria contained in all major Canadian Environmental Standards. Non-streaking formula leaves glass and mirrors sparkling.

Product Code/Size: 4x4L Case - 931004 / 20L Pail - 931020
